

## Real or Fake — Answer Key

Every logo pair and website-link pair used in the game, with the real one marked and the "tell" that gives the fake away. In the game, the real option appears on a random side each round, and the tell is shown after the player answers.

PER ROUND

### Corrections

No real/fake label was wrong in the original sheet. All 60 logo pairs were checked against their labels. These are the only changes:

| CHANGE                    | DETAILS                                                                                                                                                                                                                                                                                                                                                                                         |
|---------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Brand name spelling       | "Dominos" → <b>Domino's</b> , "Baskin Robbins" → <b>Baskin-Robbins</b> , "Nestle" → <b>Nestlé</b> , "Red bull" → <b>Red Bull</b> , "Google play" → <b>Google Play</b> , "Coco cola" → <b>Coca-Cola</b> , "crocs" → <b>Crocs</b> , "Taco bell" → <b>Taco Bell</b> , "Ikea" → <b>IKEA</b> , "Hershey's kisses" → <b>Hershey's Kisses</b> , "Drive" → <b>Google Drive</b> , "intel" → <b>Intel</b> |
| Unnamed pairs given names | Airbnb, Android, Ariel, Shell, LG, Google Photos, Ray-Ban, MTV, John Deere (pairs 52–60). Shell appears twice (pairs 12 and 55) with different images.                                                                                                                                                                                                                                          |
| Link pairs                | Unchanged. The two URL lists are paired in the order they appear in the original sheet.                                                                                                                                                                                                                                                                                                         |

## Logos

### 01 Netflix

REAL

FAKE

**The tell:** The shadow on the N's diagonal stroke is flipped in the fake.

### 02 Cartoon Network

REAL

FAKE

**The tell:** Real: a white C in a black box, then a black N. The fake swaps which letter sits in the box.

### 03 Starbucks

REAL

FAKE

**The tell:** The star on the siren's crown is solid in the real logo and hollow (outlined) in the fake.

### 04 Domino's (original sheet: "Dominos")

REAL

FAKE

**The tell:** Real: one dot on the red tile, two on the blue. The fake swaps them.

### 05 Baskin-Robbins (original sheet: "Baskin Robbins")

REAL

FAKE

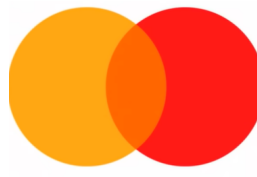

**The tell:** Real: blue 'BR' and blue wording, with pink for the hidden '31'. The fake swaps blue and pink.

### 06 Mastercard

REAL

FAKE

**The tell:** Real: red circle on the left, yellow on the right. The fake swaps them.

### 07 Rolex

REAL

FAKE

**The tell:** Real crown: five points ending in an even arc. The fake's points are staggered, with a tall middle spike.

### 08 Microsoft

REAL

FAKE

**The tell:** Real square order: red, green on top; blue, yellow below. The fake shuffles the colours.

### 09 Nestlé (original sheet: "Nestle")

REAL

FAKE

**The tell:** The real nest has two chicks; the fake has three. The fake's lettering is also heavier.

### 10 Porsche

REAL

FAKE

**The tell:** The red and black stripes are in the opposite order in the fake.

### 11 Red Bull (original sheet: "Red bull")

REAL

FAKE

**The tell:** Real: red bulls in front of a yellow sun. The fake has yellow bulls and a red sun.

### 12 Shell

REAL

FAKE

**The tell:** The real shell has seven red grooves; the fake has only a few wide ones.

### 13 Xiaomi

REAL

FAKE

**The tell:** Real logo reads 'MI' (a plain bar). The fake has a dotted lowercase 'i'.

### 14 Google Play (original sheet: "Google play")

REAL

FAKE

**The tell:** Real: green at the top, yellow on the right. The fake swaps the green and yellow.

### 15 Pringles

REAL

FAKE

**The tell:** The fake Mr. P has a smiling mouth under his moustache; the real one has no mouth showing.

### 16 Tesla

REAL

FAKE

**The tell:** Subtle: the fake's top bar is thinner and the T's arms are a different shape.

## 17 Kappa

REAL

FAKE

**The tell:** In the real logo the two seated figures' heads touch. The fake has a gap between them.

## 18 BMW

REAL

FAKE

**The tell:** Real: blue in the top-left and bottom-right. The fake has blue top-right and bottom-left.

## 19 Subway

REAL

FAKE

**The tell:** Real: white 'SUB', yellow 'WAY'. The fake swaps the colours.

## 20 Huawei

REAL

FAKE

**The tell:** At the bottom of the flower, the fake has small extra petals pointing down.

## 21 Twix

REAL

FAKE

**The tell:** The two bars in the circle above the 'i' stand upright in the real logo and lie flat ('=') in the fake.

## 22 Visa

REAL

FAKE

**The tell:** The real logo has a plain capital 'I'. The fake has a dotted lowercase 'i'.

## 23 PayPal

REAL

FAKE

**The tell:** Real: dark blue 'Pay', light blue 'Pal'. The fake swaps them.

## 24 Nintendo Switch

REAL

FAKE

**The tell:** Real: the outlined half has its dot at the top; the solid half has its dot lower down. The fake flips this.

## 25 Spotify

REAL

FAKE

**The tell:** The real logo has three sound waves; the fake has four.

## 26 NBC

REAL

FAKE

**The tell:** The peacock's feather colours are in a different order in the fake.

## 27 Coca-Cola (original sheet: "Coco cola")

REAL

FAKE

**The tell:** The fake's script is different: its first C curls like a '6'.

## 28 Pepsi

REAL

FAKE

**The tell:** The white wave through the globe is flipped in the fake.

## 29 Walt Disney

REAL

FAKE

**The tell:** The real castle is drawn with fine lines; the fake castle is solid black.

## 30 Discord

REAL

FAKE

**The tell:** The fake has an antenna on top of the controller face.

## 31 Opera

REAL

FAKE

**The tell:** The dark shading inside the O is on the right in the real logo and on the left in the fake.

## 32 Wikipedia

REAL

FAKE

**The tell:** The Ω and W puzzle pieces have swapped places in the fake.

### 33 Olympics

REAL

FAKE

**The tell:** Real top row: blue, black, red; bottom row: yellow, green. The fake reverses the colours.

### 34 Skype

REAL

FAKE

**The tell:** The fake's S is more angular, with sharp, straight ends.

### 35 Tommy Hilfiger

REAL

TOMMY  HILFIGER

FAKE

TOMMY  HILFIGER

**The tell:** The flag in the middle is red in the real logo and pink in the fake.

### 36 Puma

REAL

FAKE

**The tell:** The real puma is bigger and stretches over the end of the word; the fake is smaller and leaps up steeply.

### 37 Walmart

REAL

FAKE

**The tell:** The yellow spark's six rays are rotated in the fake.

### 38 Crocs (original sheet: "crocs")

REAL

FAKE

**The tell:** The fake has two dots (an umlaut) over the 'o'.

### 39 Subaru

REAL

FAKE

**The tell:** The real oval is blue; the fake is red.

### 40 Firefox

REAL

FAKE

**The tell:** The fake fox has a visible eye and face details.

#### 41 Taco Bell (original sheet: "Taco bell")

REAL

FAKE

**The tell:** The purple bell shape has a rounded top in the real logo and square corners in the fake.

#### 42 Cheetos

REAL

FAKE

**The tell:** The edge inside the letters is red in the fake.

#### 43 IKEA (original sheet: "Ikea")

REAL

FAKE

**The tell:** The real logo is all capitals. The fake has a dotted lowercase 'i'.

#### 44 Oral-B

REAL

FAKE

**The tell:** Real: light blue with a hyphen ('Oral-B'). The fake is darker blue with no hyphen.

#### 45 Maybelline

REAL

MAYBELLINE  
NEW YORK

FAKE

MAYBELLINE  
NEW YORK

**The tell:** The fake has a dotted lowercase 'i' and broken-looking E's.

#### 46 Hershey's Kisses (original sheet: "Hershey's kisses")

REAL

HERSHEY'S  
**Kisses**  
brand

FAKE

HERSHEY'S  
**Kisses**  
brand

**The tell:** The real lettering is chocolate brown; the fake is navy blue.

#### 47 Ford

REAL

FAKE

**The tell:** In the fake script, the F looks more like a T.

#### 48 Adidas

REAL

FAKE

**The tell:** The real logo has three stripes; the fake has four.

**49 Google Drive** (original sheet: "Drive")

REAL

FAKE

**The tell:** Real: yellow on the top-right, blue along the bottom. The fake swaps yellow and blue.

**50 Intel** (original sheet: "intel")

REAL

FAKE

**The tell:** The real logo is lowercase 'intel' with a light-blue square dot. The fake uses a capital 'I'.

**51 Jaguar**

REAL

FAKE

**The tell:** The real jaguar is snarling with its mouth open; the fake's mouth is closed.

**52 Airbnb** (unnamed in original sheet)

REAL

FAKE

**The tell:** The real symbol is a loop shape (the Bélo). The fake looks like an upside-down heart.

### 53 Android (unnamed in original sheet)

REAL

FAKE

**The tell:** The fake robot's antennae have round dots on the ends.

### 54 Ariel (unnamed in original sheet)

REAL

FAKE

**The tell:** Real: green star, red 'ARIEL'. The fake has a red star and green lettering.

### 55 Shell (unnamed in original sheet)

REAL

FAKE

**The tell:** The fake has more red lines, and they meet in a point at the bottom.

### 56 LG (unnamed in original sheet)

REAL

FAKE

**The tell:** The dot (the face's eye) is to the left of the L in the real logo and to the right in the fake.

**57 Google Photos** (unnamed in original sheet)

REAL

FAKE

**The tell:** The four colours are rotated round in the fake.

**58 Ray-Ban** (unnamed in original sheet)

REAL

FAKE

**The tell:** The real logo has a dot between 'Ray' and 'Ban'. The fake uses a long dash.

**59 MTV** (unnamed in original sheet)

REAL

FAKE

**The tell:** The real 'TV' is thick and rough, like spray paint. The fake 'TV' is thin and neat.

**60 John Deere** (unnamed in original sheet)

REAL

FAKE

**The tell:** The real deer leaps forward, stretched out. The fake deer jumps upward.

## Website links

How to spot a fake link: find the domain, which is the part right before the first single “/”. A real company's pages sit on its own domain (help.netflix.com is part of netflix.com). A fake just puts the brand name into a different domain (help-netflix.com is a completely separate website).

| #  | REAL                                                                                                                                                                  | FAKE                                                                                                          |
